

NEWS from WESTERN NY

Results you can see...in the faces of Teen Challenge.

Dear Friends,

Gathering of Champions

Calling leaders together who have champion a cause in service to others.

Thanks to everyone who came out to support Teen Challenge of Western NY in our first Gathering of Champions Meeting. Your continual support and prayers have been far reaching! You show a deep commitment to the work of Christ and the mission to reach men with life controlling issues.

We are excited about building common ground with a collective call to all who are meeting the social needs of their communities. If you are in organizational leadership please join us at our next gathering place. Come to be encouraged, to share challenges and concerns for causes that are greater than us. Come for a great time of encouragement, networking and sharing; an evening of prayer, fellowship, and food. There is no cost or donations needed for this event. . Please be prepared to share how your organization has changed or grown this past year. Only those in the organizational leadership please.

Learn how you can make a difference in a life.

TEEN CHALLENGE WESTERN NY

NEWS *from* WESTERN NY

Special Announcement:

“And the Last shall be First”

Our first Graduates of the 2010 New Year were the last of the Rochester Induction Center Students since the center closed its doors as an in-house residential home. All of the men who transferred to God’s Mountain in PA completed their one year road to a new life. The room was filled that graduation night with Hope, Love and a Sense of Purpose. It is here in these moments as the families look at their husbands, their brothers, and their sons, that I look to you and say “Thank You” for your support along the way. Please know that your continued prayers and financial support plays an important role in lives from time to eternity. “That as He had begun, so He would also finish in you the same grace also” 2Cor. 8:6.

(left to right) Roy, Maurice, Richard, Carlos, and Matthew

Know Someone With a Need for Teen Challenge?

If you know someone or a family who has a need in their life due to drug or alcohol abuse, and desires to change, they can contact us
